ORDER

LEWIS A. KAPLAN, *District Judge*.

Inspection of the docket sheet reveals that the filers of the response to the Court's June 21 order have misunderstood it. That order requires information concerning all persons and entities who now *or previously* were parties to this case, not simply the handful mentioned in the filers' response. The docket sheet reveals at least the former presence of a host of other parties, not least the New York State Division of Human Rights, the City of New York and many others.

The Moving Parties shall file a full and complete response to the Court's June 21, 2021 order on or before July 26, 2021.

SO ORDERED.

Dated: July 6, 2021
